

EUROPEAN EXCHANGE ON HEALTH & HOMELESSNESS

FEANTSA cordially invites you to the [European Exchange on Health & Homelessness](#) which will take place on [June 24 and 25 in Brussels, De Markten](#).

The exchange will engage homeless service providers, drug use related services, policy makers, cities, and public health experts. The exchange will support the establishment of **integrated approaches on health and homelessness** as best practice in service provision. Participants will have the opportunity to engage in discussion with experts and services from the homeless sector, health and drug/alcohol use support services and contribute own knowledge. Harm reduction, peer work and participation as well as mental health are key topics that will be addressed at different points of the two half-days exchange.

The exchange takes places within the [Street Support project](#) (Erasmus+) and is organized with the support of all project partners: Rainbow Group, Fixpunkt Berlin, Simon Community Cork, Spolecnost Podané Ruce, Brno, and Fundacion Salud y Comunidad, Spain.

The attendance of the event is for free. We dispose of limited budget to cover travel and hotel costs of participants. If you require financial assistance for travel and/or hotel costs, please contact project officer [Ruth Kasper](#) until May 13th.
