The Scaling-Up project

- Different sub-studies
- The focus is on the social workers within the social housing programme in the City of Helsingborg

Questionnaire

- The aim of the questionnaire is to get a picture of the social workers' educational and professional background
- ...their opinion of their work situation, the social housing programme, and on how they respond to different situations.

Focus Groups and site visits

- Front-line workers
- Managers
- Referring Case workers

Conclusion

- Leadership – The staff involvement
- structures that maintain the social housing programme
- Everyday dilemmas
- Different logics
- It is more fun to work with HF
